**Subject:** Next Umatilla draft letter for review ...passing to you Jeff & Matt  
**Attachments:** DRAFT EPA ltr to ODA OHA ODEQ re Umatilla 2020 04 27.docx

Jeff/all:

Here is the next draft of the Umatilla letter. I need your involvement/edits to finalize the letter based on your preferences.

This revised draft is based on your input last week to:

- Focus on private wells and concerns about adequate public notice
- Summarize EPA's understanding of what we learned for OHA, DEQ & ODA
- Ask agencies to confirm or clarify our understanding &
- Provide a bulleted 1 page overview that can used for RA briefing

Next Steps:

**Clarke/ORC** has not reviewed the letter – does not have computer access

**Jeff** – I need to work with you to verify the census/well information in the attachment

**All** – finalize letter with edits/concurrence

**Jeff/Matt** – coordinate ECAD/WD Director review of letter, RA check in & David Fotouhi/OGC review before signing.

Thanks,

Peter

Hi everyone

Sorry I missed the meeting yesterday. I just looked at the letter, and I like the revised focus

A few thoughts:

**Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)**

## Ex. 5 Deliberative Process (DP)

I inserted a few comments in places where I think we can revise sentences to better get at confirming information instead of asking opinion...

Hope that helps. Am in Kaizen event most of the day today also (and tomorrow and Friday) but can respond later if needed.....
